Dear Sir:

I am in receipt of your letter of March 26, 1945 asking the EAGLES to play your service team some Thursday night at Fort Dix. In going over the schedule I find it will be possible to play May 24th. If this date is not satisfactory we may be able to find another date later.

Please let me know what time your games start and what gate we will enter. Will appreciate a confirmation of the date from you as soon as possible.

Very truly yours,
